

TECHFEST REGISTRATION STEPS

CONTENTS

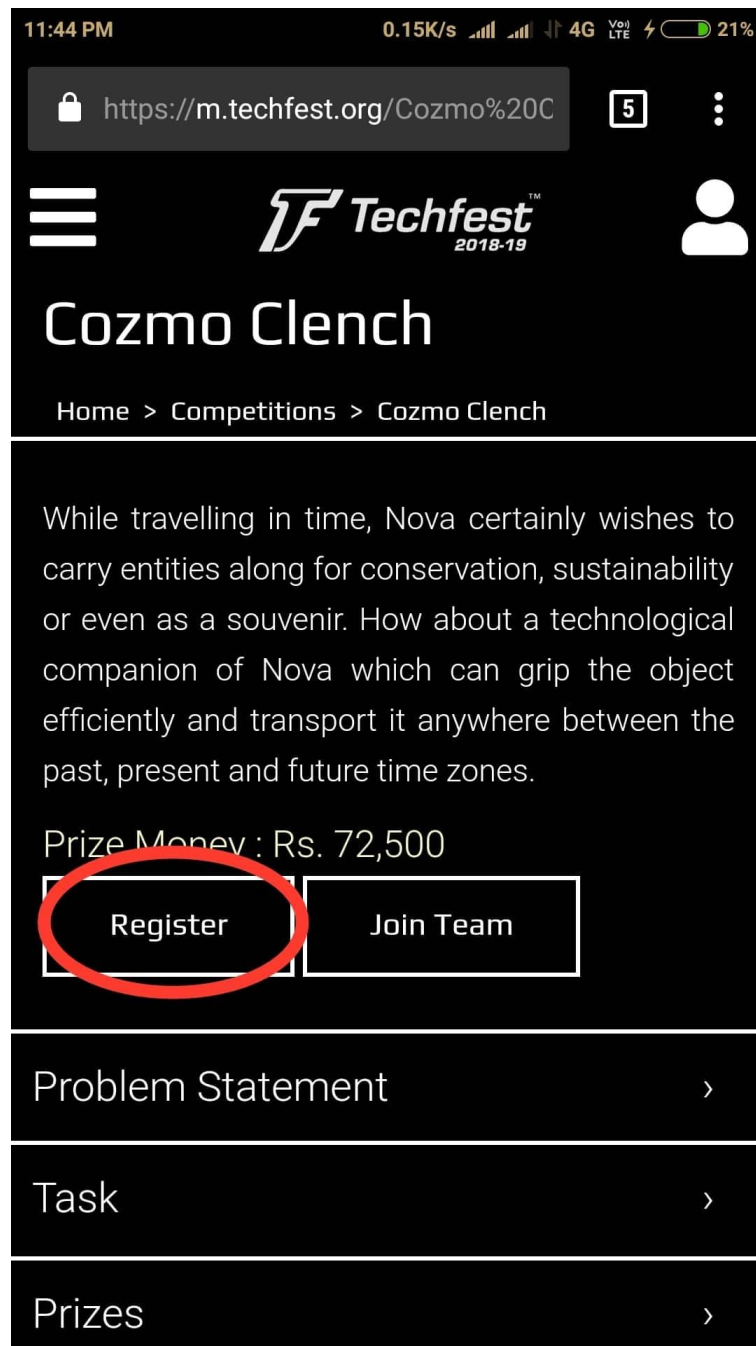

1. Guidelines
2. How to Register and form your team
3. How to Add team members in your team
4. How to join an existing team (adding in your friend's team)
5. Deleting your team
6. Changing your team
7. Contact Us

Guidelines:

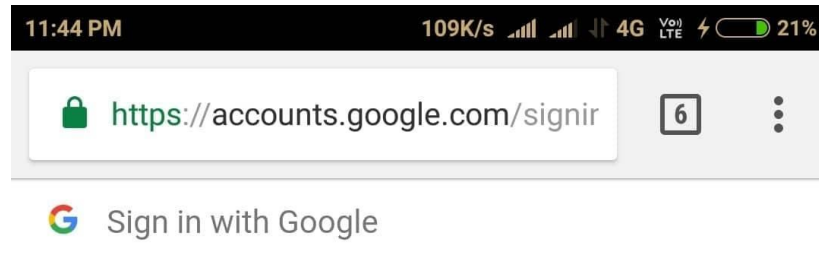

1. Make sure you have a running Internet Connection as you will have to register online.
2. Each member of the team must have a google account to register. If you don't have, then create here [Sign Up](#)
3. In case you are not able to go ahead or something is wrong, please press "**Ctrl+R**" to reload the page.
4. You can even do "Hard Reload" by clicking "**Ctrl+Alt+R**" if the page is not responding.

Here are 3 simple steps to form a team:

1. Visit the website of the competition you want to register, say www.techfest.org/cozmoclench
2. Click on Register

3. Make a google sign-in
